MARCH FROM SELMA TO 1 - Mr. Hines
MONTGOMERY, ALABAMA
MARCH 21 - 25, 1965

On March 25, 1965, the parade from St. Jude's, a Catholic Institution, started at approximately 10:10 a.m. Approximately 12,000 marchers participated in this parade.

The program at the State Capitol commenced at 1:35 p.m., and lasted until approximately 4:10 p.m.

After the parade, twenty delegates designated to contact Governor George C. Wallace attempted to go to his office at the Capitol building. They were advised that the Governor's Office was closed and he would not see them on March 25, 1965. The delegates plan to return to see Governor Wallace on March 26, 1965.

Prior to the parade, officers of the Montgomery County Sheriff's Office served papers on Reverend Martin Luther King, Jr., and associates which arose out of a civil action filed in Dallas County Court, Selma, Alabama. This suit was filed by the City of Selma and the Selma Bus Lines.

This civil action involves a claim by the Selma Bus Lines in the amount of \$3,750 for the loss of revenue, and a notice of damage by the City of Selma in the amount of \$100,000 for loss of revenue arising from demonstrations and other activities. The defendants were also enjoined from operating ~~ENCLOSURE~~ buses and other means to transport people in and about Selma, Alabama.

The President called and said they want him to talk to the husband of the woman who was killed; that he had had the counsel talk to him; that the man on the White House switchboard last night indicated he (the President) would talk to the man when he (the President) woke up. He said, before he talked to the man, he wanted to be sure I don't have any reason why he shouldn't because our report indicated the man is a Teamster man. I told the President I don't say the man has a bad character but he is well known as a Teamster strongarm man and on the woman's body we found numerous needle marks indicating she had been taking dope although we can't say that definitely because she is dead. I said I would be inclined to have White or someone like that talk to the husband rather than the President. The President said all right, White has already talked to him.

I said I thought the thing was in pretty good shape; that as soon as I finished talking to him [redacted]

[redacted] that we propose to file the same kind of warrant as we filed in the Penn case in Georgia. I said I would talk to Sullivan and then let the President know. He asked me to please do so.

[redacted] I advised him of the information and evidence we have; that I was going to talk to Alabama right away; that if Doar agrees to serving the warrants, we will have them in custody soon; that I would call him and he would make a statement from the White House. The President suggested that the Attorney General and I come over to the White House; that maybe we could get there before the astronauts and let television cover us as we come in; that we don't have to have any appointment, to just call George Reedy and tell him I'm coming over to see the President, then tell the Attorney General and just get in the car and come on over.

**MURDER OF VIOLA LIUZZO
LOWNDES COUNTY, ALABAMA
MARCH 25, 1965**

The following are the most recent developments concerning the murder of Mrs. Viola Liuzzo, who was fatally shot as she drove in Lowndes County, Alabama, on March 25, 1965.

A complaint was filed today before the United States Commissioner at Birmingham charging William Orville Eaton, Collie Leroy Wilkins, Jr., Eugene Thomas and Gary Thomas Rowe, Jr. with violating Section 241, Title 18, United States Code, in that they conspired to intimidate and injure citizens in the free exercise of their Constitutional rights.

Eaton, Wilkins and Thomas were arrested by FBI Agents today and taken before the United States Commissioner at Birmingham who scheduled a preliminary hearing for Thursday, April 15, 1965, and remanded all three subjects to the custody of the United States Marshal in lieu of \$50,000 bond each. They are confined in the Jefferson County Jail in Birmingham. Rowe will be taken before the Commissioner at a later time.

At the Commissioner's hearing, the subjects were represented by Matt Murphy, a Klan attorney. ALN:

All four of those charged in the complaint filed before the Commissioner are members of the United Klans of America, Inc., Knights of the Ku Klux Klan.

A Negro man was with Mrs. Liuzzo and reportedly was sitting close to her.

Copies made by CT
for review by Rowe Task Force
Date 12-1-75

I called Attorney General Nicholas deB. Katzenbach and told him we have practically broken the case down in Selma, the killing of the woman, and that we have to move very rapidly. I stated I had instructed our man to go to see Ramsey Clark and lay the facts before him so he can decide what statute we can file under. The Attorney General said it will have to be John Doar as Ramsey Clark has left Alabama and is back here. I said the thought I had in mind was we ought to talk probably with Ramsey Clark or anyone the Attorney General designated to determine what statute to use and we wanted to get our hands on the people who did this before they destroy their guns and get out of the state.

I stated we had an informant in the car from which the shooting was done and he has, therefore, identified the two who actually fired the two guns that killed this woman; that he has identified the third man; and that the informant was the fourth man. I explained that the informant is a member of the Bessemer, Alabama, Klan. I stated that the three men we want to arrest are not going to work today and we have their homes under surveillance; that we want to move to take them into custody and conduct an intensive interrogation of them; that I think it is imperative we act fast so they can't get away from us and be another six-months case like we had in Mississippi.

The Attorney General stated, if we are going to get the stuff drawn up quickly, we will do better to work with Doar down there. I stated I will do that then; that I will arrange for Sullivan to talk with Doar and work this thing out down there.

EX-103 REC 5 44-28601-16

I advised him that the President knows in substance what I had just told him because the President had called me this morning about six o'clock and two or three times last night. The Attorney General indicated the President had called him around eight o'clock this morning. I stated I told the President the developments as we had them and that there must be nothing said by him or anyone else about the nearness of breaking the case.

Memorandum for Messrs. Tolson, Belmont, DeLoach, March 28, 1965
Rosen

I told the Attorney General that the President asked if he should talk to the husband of the woman in Detroit who had died and I suggested the President have Lee White call this man and, if the man behaves himself, the President could consider talking to him later. I stated the man himself doesn't have too good a background and the woman had indications of needle marks in her arms where she had been taking dope; that she was sitting very, very close to the Negro in the car; that it had the appearance of a necking party.

I told the Attorney General I would get in touch with Doar right away. He said he thought that would be the fastest. I said I would get that done right away.

9:45 a. m.

I called the Attorney General to advise him of the President's call. I related that the President asked about the background of the man in Detroit (the husband of the woman killed in Alabama) and I told him what it was; that the President said Lee White had already talked to the man and he wanted to know what I thought about calling him. I stated I advised the President to hold off until after the case is broken and then he could consider whether he wants to call the man and extend condolences.

I told the Attorney General that the President then said he wanted the Attorney General and me, as soon as we get the warrants and make the arrests, to come to the White House, to try to get there before the astronauts arrive, and he would then make a statement on television with us present. I said the trouble is the astronauts get there at eleven o'clock and we can't complete matters by that time. The Attorney General said no, we would have to do it after.

I told him they will call here and let me know at once and I will let him know at once; that will be after eleven o'clock. The Attorney General said the ceremony for the astronauts would probably last forty-five minutes and I indicated I thought we could do it right after that.

The Attorney General said he was going to talk with Lee White in his (the Attorney General's) office then; that he would advise this same procedure and tell White to tell the President that we are just not going to make it before the astronauts.

The Attorney General asked where Sullivan is and I replied that Sullivan is in Selma. He remarked that Sullivan is fifty miles from Doar and I told him they can talk by telephone. I said I would let him know as soon as it is done.

Memorandum for Messrs. Tolson, Belmont, DeLoach,
Rosen

March 26, 1965

10:57 a.m.

The Attorney General called. He said he had talked with Doar and Doar has drawn up the complaint but has to get it typed and then we are off. I told him I had just talked to our people and they advised he was to have it by 11:40; that they cleared it with Doar about 10:40 and it would take about an hour; that there will be four arrests made, including our informant; that the informant is scared to death and we may have to move him and his family out to some other part of the state or the country to protect them when it gets to trial.

I said I thought it would be ready at 11:40 so he could make arrangements to go over to the White House.

11:00 a.m.

The Attorney General called to ask if I would have typed up the factual information. I told him I was having it typed up; that either he or the President could read it.

12:11 p.m.

The Attorney General returned my call of a few moments before. I advised him that I had received a call from Mr. DeLoach, whom I had sent over to the White House, and that Mr. DeLoach advised the President had told him he would like to have us come over to the White House at once to stand by for the arrests. I stated the arrests had not yet been made. I told him I would come around and join him. He said he thought he would take along Ramsey Clark since he had been down there. I said I would come around to his office and he said that was fine.

This concerns further information relative to statements made by Sheriff James Clark to the press about the murder of Viola Liuzzo, by four Klan members on 3/25/65.

Clark's reference to Department driving King to Selma refers to the incident where former Department Attorney Thelton Henderson drove King to Selma in a car rented by Department. Department first issued a denial and when Henderson later admitted the incident, Department had to admit to the truth of the incident. Henderson submitted his resignation.

Character: CIVIL RIGHTS - ELECTION LAWS

Synopsis:

On 3/19/65, victim LIUZZO appeared at Selma, Ala., and was closely associated with the civil rights activities relating to the march from Selma to Montgomery, Ala.

Her vehicle, a 1963 light blue Oldsmobile bearing Mich. License EJ9177 was being utilized at Selma and during the march as a transportation vehicle for civil rights workers.

On the evening of 3/25/65, at about 8:00 p.m., victims LIUZZO and MOTON were enroute from Selma to Montgomery, Ala., to pick up another load of passengers to return them to Selma following march, a vehicle later determined to be a 1962 Chevrolet Impala driven by subject THOMAS and occupied by other three subjects, pulled alongside the LIUZZO vehicle and fired several shots from a .38 caliber revolver and a .22 caliber weapon into the LIUZZO vehicle.

As a result of this action Mrs. LIUZZO was killed. The auto she was driving, her 1963 Oldsmobile, ran off the road and victim MOTON succeeded in stopping the vehicle by turning off the ignition and placing foot on brake.

The shooting was reported to the FBI shortly after 9:30 p.m. CST, night of 3/25/65. Investigation immediately instituted, crime scene examined, witness interviewed, and vehicle examined.

Independently the Ala. State Troopers were notified by an unidentified truck driver that he observed what appeared to be a wreck off

MO 44-1245

Highway 80 east. State Troopers arrived at scene minutes after this report, observed LIUZZO appeared to have been shot, and secured the scene. State authorities performed autopsy [REDACTED]. Joint examination of vehicle and crime scene performed by state authorities and FBI Agents.

I. PREDICATION AND KLAN PARADE OF March 21, 1965,
MONTGOMERY, ALABAMA.

MO 44-1245
JRC/ls

DETAILS:

Negro civil rights demonstrators conducted a march from Selma, Alabama, to Montgomery, Alabama, March 21-25, 1965. The purpose of the march was to dramatize voting registration restrictions in Alabama and to present to Governor GEORGE C. WALLACE a petition of grievances. The march was led by Dr. MARTIN LUTHER KING. It culminated in front of the State Capitol, Montgomery, Alabama, March 25, 1965, with some 12,000 demonstrators attending the ceremonies. The ceremonies in front of the State Capitol commenced at approximately 1:35 PM and lasted until approximately 4:10 PM, March 25, 1965. The crowd dispersed generally at the conclusion in all directions at request of Rev. RALPH ABERNATHY, Southern Christian Leadership Conference (SCLC), who served as master of ceremonies. From observation there appeared no organized plan for the dispersal of the marchers and those from Selma, Alabama, were returning to Selma by common carrier, trucks, and private automobiles.

At Montgomery, Alabama, on March 21, 1965, IRA DE MENT, Attorney for the City of Montgomery, telephonically advised the Montgomery Resident Agency of the Federal Bureau of Investigation, that a request was received by the Montgomery City Commission addressed to the Board of Commissioners by Parade Director BOBBY SHELTON signed by F. M. VANN, dated March 20, 1965, and represented the Knights of the Klux Klan of America, Inc. Mr. DE MENT believed that the Kn was probably an error of omission. The reason for the parade was listed as "to protest the order issued by FRANK JOHNSON (struck through and Federal Court written above) allowing 5 day demonstration march from Selma, Alabama, to Montgomery, Alabama". DE MENT advised the City Commission had on March 21, 1965, issued a permit allowing a parade beginning at 2 PM, March 21, 1965, in the 1200 block of Madison Avenue, Montgomery, Alabama, proceeding west on Madison Avenue to Madison and Bainbridge Streets, south on Bainbridge to Bainbridge and Dexter, west on Dexter to Court Square. The return route would be the same. All were ordered to conduct themselves in orderly manner and no one in the parade would wear masks. When the parade ended the group was ordered to disperse in an orderly manner. The permit expired 6 PM, March 21, 1965.

MO 44-1245

A Klan motorcade led by ROBERT SHELTON, Imperial Wizard, United Klans of America, in car number one, and BOB CREEK, Grand Dragon of Alabama, in car number two, consisting of some 240 people in 83 cars decorated with confederate flags departed Patterson Field, Madison Avenue, Montgomery, 2:40 PM, March 21, 1965. Bureau Agents observed this motorcade. Most of the cars were occupied by family groups, well dressed. A few old cars were occupied by men dressed in overalls. Lead cars were observed carrying signs such as "Voting rights - yes; Special attention - no"; "Be a Man - Join the Klan", and "KKK forever".

The motorcade rather than disbanding at the Court Square in Montgomery, Alabama, continued on past the Court Square and proceeded to the city limits of Prattville, Alabama, where the occupants of the cars took the confederate flags off the cars and disbanded completely going away in different directions. No speech making was made at the disbanding spot. The entire group was disbanded at 3:32 PM, March 21, 1965.

On March 21, 1965, at approximately 12:30 PM, a number of automobiles were observed being parked in the parking lot of Crampton Bowl, Montgomery, Alabama. The automobiles were parked in lines facing Madison Avenue and persons arriving in these vehicles were observed placing confederate flags on these automobiles. ROBERT SHELTON, Imperial Wizard, United Klans of America, Inc., Knights of the Ku Klux Klan, was observed standing in front of the parked automobiles talking to other people. Several cars were observed bearing signs with the slogan, "BE A MAN JOIN THE KLAN".

J. B. STONER, an attorney who resides near Atlanta, Georgia, was observed in Crampton Bowl with his 1960 Oldsmobile, bearing 1964 Georgia license number 2A8697, parked with the other vehicles. STONER's automobile had a large confederate flag flying from the radio antenna, located on the right side of this vehicle near the front.

At approximately 2:50 PM, the vehicles left Crampton Bowl parking lot forming a motorcade and proceeded through the city of Montgomery and out of Montgomery on U. S. Highway 31 where the motorcade pulled over to the side of the highway and dispersed.

The following license plate numbers were observed parked in the Crampton Bowl parking lot or in the motorcade:

III. ACTIVITIES OF VIOLA LIUZZO IN SELMA-MONTGOMERY AREA

FEDERAL BUREAU OF INVESTIGATION

Date 3/30/651

Miss FRANCES JACKSON, 1370 George Washington Carver Homes, Selma, Alabama, furnished the following information:

She first met Mrs. VIOLA LIUZZO of Detroit, Michigan, on Friday, March 19, 1965. A boy brought Mrs. LIUZZO from the Brown Chapel AME Church to the residence of Miss JACKSON and her mother and advised the JACKSONS that Mrs. LIUZZO was assigned to live in their apartment during the week of the civil rights demonstration march from Selma to Montgomery, Alabama.

Mrs. LIUZZO stayed Friday, Saturday and Sunday morning at the JACKSON residence. She left Sunday morning and marched with the marchers from Selma, Alabama, toward Montgomery, Alabama, returning to the apartment that same Sunday evening, March 21, 1965.

Mrs. LIUZZO remained at the JACKSON home and in the area until Wednesday morning between 6:30 and 7:00 AM, March 24, 1965. At this time she departed from the JACKSON apartment to join the marchers near Montgomery, Alabama. This was the last time that Miss JACKSON saw Mrs. LIUZZO.

During her residence in the apartment, Mrs. LIUZZO advised Miss JACKSON that she had been working with colored people in Detroit, Michigan, and that she had come to Selma, Alabama, to participate in the civil rights march from Selma to Montgomery, Alabama.

Miss JACKSON advised that Mrs. LIUZZO had been alone when she came to their home and she did not know if Mrs. LIUZZO had been accompanied by any persons on her trip from Detroit, Michigan, to Selma, Alabama.

Mrs. WILLIE LEE JACKSON, Apartment 137 C, George Washington Carver Apartments, advised that she is manager of Smith's Cafe, 1811 Griffin Street, and works every day from 9:00 a.m. to 4:30 p.m.

She stated that she has resided in Selma, Alabama, during the past twelve years and during the past two months has been helping with preparation of food served to the demonstrators at Brown's Chapel on Sylvan Street. She stated that she is not a member of any organization, however, has been helping with the food and also making her apartment available for sleeping quarters for some of the people coming to Selma who are involved with the racial demonstrations.

She stated that when she returned home on Friday, March 19, 1965, she found that a Mrs. LIUZZO, whom she knows better as "VI," had moved into her apartment, having been sent there by someone who was in charge of registering the arriving demonstrators and furnishing them with places to stay. She stated that she believes Mrs. LIUZZO had arrived in Selma sometime during the morning of March 19, 1965, from Detroit, Michigan. She stated Mrs. LIUZZO was traveling alone and, to her knowledge, never went with any other person while around Selma.

She stated that also staying in her apartment were four white women, identified as follows:

"KITS" Last name unknown, from California, who stayed until March 21, 1965, at which time she went on the march to Montgomery.

A white woman, name unknown, who departed Saturday morning, March 20, 1965, and she did not know where this woman came from or went to; however, her luggage is still at Mrs. JACKSON's apartment.

A white woman, named JOAN, last name unknown, from Wisconsin, who departed the apartment on Wednesday, March 24, 1965, enroute to Montgomery.

PAT last name unknown, who arrived from Boston on March 20, 1965, and who left on March 21, 1965.

Mrs. JACKSON stated that there were also two Negro girls, SHIRLEY last name unknown and DEAN last name unknown, who came together from Boston, Massachusetts, on Friday, March 19, 1965, and departed Sunday evening, March 21, 1965, at approximately 9:00 p.m. enroute back to Boston.

Mrs. JACKSON stated that her daughter, FRANCES JACKSON, age 17, stayed at the apartment during the daytime hours and has told Mrs. JACKSON that Mrs. LIUZZO stayed around the apartment all day every day either sleeping or playing with FRANCES' baby, except for an hour or so each day when Mrs. LIUZZO went to Brown's Chapel.

Mrs. JACKSON stated that she was home every evening during this period and Mrs. LIUZZO stayed in the apartment every evening with the exception of about an hour or less each evening when she left the apartment saying she was going to Brown's Chapel.

Mrs. JACKSON said she had numerous conversations with Mrs. LIUZZO and found her to be a person who likes everyone she meets and after a while, you had the feeling you had known her a long time. She said during her conversations Mrs. LIUZZO never mentioned anything to her indicating that she had been molested or involved in any trouble while in Selma. Mrs. LIUZZO appeared to be in good health and the only medication she knows of was on Sunday, March 21, 1965, when Mrs. LIUZZO took an aspirin. She said Mrs. LIUZZO told her that her husband did not want her to go to Selma, Alabama, however, if she really believed in the march from Selma to Montgomery, for her to go on down to Selma.

Mrs. JACKSON said to her knowledge, Mrs. LIUZZO, when she left the apartment, was always alone and that she ate most of her meals at the apartment.

She stated that it was her impression that some of the workers of the SCLC were using Mrs. LIUZZO's automobile from the time she arrived in Selma, including taking it on the march from Selma to Montgomery, as Mrs. JACKSON had never seen her automobile. Mrs. JACKSON recalled that on Sunday, March 21, 1965, between 8:30 a.m. and 9:00 a.m., Mrs. LIUZZO was assigned to answering the telephone in Apartment 134 C, which is occupied by ERMATINE WILLIAMS, on which people in connection with the demonstrations were calling, possibly for instructions, but she is not certain what the calls were about.

Mrs. JACKSON stated that at approximately 6:30 to 7:00 a.m., on Wednesday, March 24, 1965, Mrs. LIUZZO left the apartment alone on foot stating she was going to Brown's Chapel to catch a bus to Montgomery, Alabama, to St. Jude's Hospital, where she intended to take part in the march from St. Jude's onto the Alabama State Capitol Building in Montgomery. She said Mrs. LIUZZO told her at that time that her automobile was in Montgomery all the while Mrs. LIUZZO was staying at Mrs. JACKSON's residence.

Mrs. JACKSON stated that she never again saw Mrs. LIUZZO after about 7:00 a.m. on Wednesday, March 24, 1965.

Mrs. JACKSON was shown a photograph of a 1962 Chevrolet, white over red in color; however, she stated she has never seen such an automobile in the vicinity of her apartment. She was also shown photographs of GARY THOMAS ROWE, COLLIE LEROY WILKINS, EUGENE THOMAS, and WILLIAM ORVILLE EATON, and stated that she had never seen any of these men to her knowledge.

Rev. JAMES RICHARD ORANGE, home address 2310 25th Court North, Birmingham, Alabama, was interviewed at the Brown Chapel AME Church, Selma, Alabama. He furnished the following information.

One day during the civil rights march from Selma, Alabama, to Montgomery, Alabama, held between March 21 and 25, 1965, he had made an announcement at Brown Chapel AME Church concerning transportation for persons on the march. He believed this announcement was made on Tuesday, March 23, 1965. He requested that persons who had automobiles which might be used for transporting marchers come to the front of the audience.

After this announcement one of the persons who came forward and volunteered the use of her automobile for transporting civil rights marchers on the march was Mrs. VIOLA LIUZZO of Detroit, Michigan. Rev. ORANGE advised that this was the same individual who had later been killed on Thursday night, March 25, 1965, near Selma, Alabama.

Rev. ORANGE advised that to the best of his recollection this was the only time he held any conversation with Mrs. LIUZZO during the period she was in Selma, Alabama.

Mrs. MARGIE LEA WASHBURN, home address Atlanta, Georgia, was interviewed at 106 George Washington Carver Homes, Selma, Alabama. Mrs. WASHBURN refused to give her home address and stated as the reason for her refusal, her fear of retribution by the White Citizens Council and the KKK. She furnished the following information.

Mrs. WASHBURN advised she had on one occasion during the period March 21 to 25, 1965, had lunch with a woman who introduced herself as Mrs. VIOLA LIUZZO from Detroit, Michigan. This lunch was held at Brown Chapel AME Church, Selma, Alabama, where the civil rights marchers were being fed meals.

During this conversation with Mrs. LIUZZO, Mrs. LIUZZO told Mrs. WASHBURN "I had to come because of brutality in Selma, Alabama. I don't see how anybody could keep from coming". Mrs. LIUZZO indicated she had come to Selma, Alabama, for the specific purpose of participating in the civil rights demonstration march from Selma, Alabama, to Montgomery, Alabama.

Mrs. LIUZZO also advised Mrs. WASHBURN "she sent a check here to buy food or something for these people". Mrs. LIUZZO also asked what the demonstrators needed more, food or money.

After this question by Mrs. LIUZZO, Mrs. WASHBURN searched for a person in charge and discussed this question with some minister whose name she can not recall. This minister told her that either food or money would be acceptable. Mrs. WASHBURN relayed this information to Mrs. LIUZZO.

Mrs. LIUZZO asked Mrs. WASHBURN where she was from and Mrs. WASHBURN advised her she was from Atlanta, Georgia. Mrs. WASHBURN stated that she told Mrs. LIUZZO to be careful while in Selma, Alabama, because she knew from personal experience that a lot of innocent persons in the south had been killed. She further advised Mrs. LIUZZO that women in this area were in as much danger as the men.

Mrs. WASHBURN said she told Mrs. LIUZZO that this was a dangerous place, that anywhere police used gas and prods on people is a dangerous place.

INTERVIEWS OF PASSENGERS IN CAR OF VIOLA LIUZZO
ON MONTGOMERY TO SELMA TRIP, March 25, 1965

Date March 22, 1965

Mrs. BRENTON (CLARISSA) BROWN, 1830 Hillside Road, Southampton, Pennsylvania, furnished the following information:

She stated she attended the civil rights rally near the Capitol Building in Montgomery, Alabama, on March 25, 1965. She left this area approximately 5:30 p.m. and rode in a car belonging to Mrs. VIOLA LIUZZO of Detroit, Michigan, to the Municipal Airport at Montgomery, Alabama. The car was driven by a colored male by the name of LEROY MOTON from the area near the Capitol to the city of St. Jude located on Highway 80 West of Montgomery, Alabama. At the city of St. Jude they let a colored man out of the car and Mrs. LIUZZO entered the car at this place. Mrs. LIUZZO then drove her car from the city of St. Jude to the Municipal Airport where a man by the name of BART COOPERSMITH left the vehicle to catch a plane. When they left the Municipal Airport at Montgomery, Alabama, Mrs. BROWN was seated in the rear seat on the left side immediately behind the driver, Mrs. LIUZZO. In the center of the back seat, next to Mrs. BROWN, was LIZ STEWART, white female, age 16. On the right of the rear seat was seated CARLA AUSTIN, white female, age 16.

A young Negro male from Selma, Alabama, by the name of CLARENCE SMITH, was seated in the center of the front seat and LEROY MOTON was seated in the right side of the front seat.

Some place between Montgomery and Selma, Alabama, Mrs. LIUZZO stopped and purchased \$3.00 worth of gasoline. Mrs. BROWN advised that she cannot recall where this gasoline was purchased as to geographic location; nor could she recall the brand of gasoline sold at this service station.

Just before driving away from the area of the capitol in Montgomery, Alabama, a military jeep driven by white military police with a colored military policeman as a passenger in the front seat, stopped the car and asked LEROY MOTON what part of Michigan they were from. LEROY answered that he did not know.

Sometime after they drove away from the airport in Montgomery, Alabama, the exact location not known, a car approached Mrs. LIUZZO's vehicle from the rear. The car turned its lights on high beam and left them on. VIOLA remarked, "Two car

"play at the same game." She slowed down and shortly thereafter the car behind passed them at a high rate of speed. Mrs. BROWN stated she had no idea concerning the make or model of the vehicle which passed them. She could furnish no information concerning the license displayed on this vehicle. She advised that it was dark at this time; however, it was her impression that this vehicle was a buff color.

Sometime after the incident occurred, as they were proceeding on the way to Selma, a car approached the vehicle from the rear and pulled up alongside Mrs. LIUZZO's automobile. The car ahead of their vehicle had slowed down and it was her impression that the car alongside had "boxed them in." Mrs. LIUZZO had slammed on the brakes and slowed the vehicle down. Mrs. BROWN described the vehicle which had pulled alongside them as also buff in color and a two-door model. She stated she had no idea as to the make of this vehicle or any other description concerning it.

To the best of Mrs. BROWN's knowledge, the drivers of neither of the two vehicles described above had stated any words or made any remarks to the occupants of her car; nor did they make any attempt to stop Mrs. LIUZZO's vehicle.

A short time later, the vehicle in which Mrs. BROWN was riding passed a car with a Negro family in it. They observed that this automobile had no taillights. Mrs. LIUZZO honked at the occupants of this car and they shouted to the Negro family that the automobile had no taillights.

Mrs. BROWN could not recall any further incidents out of the ordinary which may have occurred on their trip from Montgomery to Selma, Alabama. She advised that the only stops they made were the stops at St. Jude's Church, the Municipal Airport, and the service station where the gasoline was purchased. No other stops were made until they arrived at the George Washington Carver Homes in Selma, Alabama, where Mrs. BROWN left the car.

FEDERAL BUREAU OF INVESTIGATION

Date March 26, 1965

CARLA AUSTIN, age 16, 922 Second Street Pike, Southampton, Pennsylvania, furnished the following information:

She stated she attended the civil rights rally at the front of the Capitol Building in Montgomery, Alabama, on the afternoon of March 25, 1965. She left there shortly before dark and walked one or two blocks to an automobile owned by Mrs. VIOLA LIUZZO. She entered the vehicle with several others and was driven in this car to the city of St. Jude on Highway 80 outside Montgomery, Alabama. One of the passengers, whom she described only as a colored man with a beard, and whose name she does not know, left the vehicle at this point. LEROY MOTON had driven the automobile from downtown Montgomery to the city of St. Jude. Mrs. LIUZZO entered the car as the driver at the city of St. Jude and drove the vehicle to the Municipal Airport in Montgomery, Alabama. A white man whose last name was COOPERSMITH left the vehicle at this airport in order to catch a plane back to Washington. This left Mrs. CLARISSA BROWN, LIZ STEWART, and CARLA AUSTIN in the rear seat of the vehicle with CLARENCE SMITH and LEROY MOTON in the front seat of the vehicle alongside Mrs. LIUZZO, who was driving.

Shortly after they left the airport, they stopped at a service station for gasoline. She could not recall the brand of gasoline sold at this station but she described it as being the service station "just across the street" from the airport. She stated this service station was on the righthand side of Highway 80 coming towards Selma, Alabama, from Montgomery, Alabama. She noticed no particular incidents which might have occurred at any of the stops described above. They left the service station just about dusk.

They traveled then to Selma, Alabama, and en route to Selma, one car came up behind their vehicle pretty close. The driver of this vehicle turned his bright lights on their car. She recalls Mrs. LIUZZO remarked that the man wanted to see the license plates and who was in the car. They were travelling at about sixty miles per hour at this time. Mrs. LIUZZO remarked that she would give the driver of the car behind a taste of his own medicine, and she slowed down to approximately thirty-five miles per hour. The driver of the car behind them then passed the vehicle in which she was

riding and continued on down the highway.

Miss AUSTIN advised that she did not know the make of the vehicle which passed them at this time; nor did she know the model or color. She did not notice the license plates on the car. She does recall that she looked out a back window of the vehicle when the bright lights were turned on and observed that the car behind them had four headlights, one large light and one small light on each side of the front with the smaller light on the outside.

Sometime later in the trip she recalls that the tires screeched as Mrs. LIUZZO put on the brakes. At this time a car had pulled alongside their automobile. Miss AUSTIN advised she had the impression this was a police car, but she stated she did not know why she had this impression as she could not recall that this vehicle had any police markings or red lights on it to her knowledge. She stated that the car alongside of them pulled over to the right lane of the traffic as Mrs. LIUZZO slowed down and continued on west towards Selma, Alabama.

Miss AUSTIN advised that she did not observe the occupants of either of the vehicles in the incidents described above. The occupants of neither car made any remarks to them to her knowledge; nor did they attempt to get the vehicle in which she was riding to stop.

When they reached the bridge over the river at Selma, Alabama, they saw a car filled with Negroes, which car had no taillights. Mrs. LIUZZO remarked, "These are our people." So they shouted to them that they should get their taillights fixed.

After the stop at the service station for gasoline, the car in which Miss AUSTIN was riding made no stops whatsoever between Montgomery, Alabama, and the George Washington Carver Homes at Selma, where Miss AUSTIN alighted from the car.

She recalled from discussion in the car that Mrs. LIUZZO and LEROY MOTON were going to drive back to Montgomery, Alabama, after Miss AUSTIN and her companions got out of the car at the George Washington Carver Homes.

Miss AUSTIN further advised that she could not recall any descriptive matter whatsoever concerning the vehicle which had pulled alongside of them and then pulled in front of them on the highway while enroute to Selma, Alabama.

FEDERAL BUREAU OF INVESTIGATION

Date March 26, 1965

LIZBETH STEWART, age 16, 1585 Winding Road, Southampton, Pennsylvania, furnished the following information:

She stated she left the civil rights rally at Montgomery, Alabama, shortly before dark on March 25, 1965. She walked to an automobile owned by Mrs. VIOLA LIUZZO, which vehicle was parked approximately three to four blocks away. She got into the rear seat of this automobile with Mrs. CLARISSA BROWN and CARLA AUSTIN. CLARENCE SMITH was also sitting in the rear seat. A colored man with a beard and a white man whose name she did not know sat in the front seat of the vehicle with LEROY MOTON, who was driving.

MOTON drove the vehicle to the city of St. Jude, where the colored man with the beard got out. Mrs. VIOLA LIUZZO entered the car as the driver at this point. At this time CLARENCE SMITH also got out of the rear seat and got into the front seat.

Miss STEWART could not recall whether the vehicle stopped for gasoline anywhere en route from Montgomery, to Selma, Alabama, on this trip. She advised that she was very tired and was not clear on the details of the ride.

Somewhere en route between the airport and Selma, Alabama, possibly on the two lane section of the highway, another automobile got behind them and blinked his bright lights. VIOLA slowed down and they passed. She advised that she could not furnish any information concerning the make, model, color, lights, or license which might have been on this automobile. She did not have any idea as to the number of occupants. She again stated she was very tired and had not paid much attention to this incident.

Sometime later during the same trip, the car in which she was riding braked suddenly. She heard others in the vehicle talking about being "boxed in." She advised that she could not recall anything further about this incident, such as any cars involved or why the brakes were suddenly applied.

Again Miss STEWART stated that she did not believe that they had stopped anywhere along the road between the Municipal Airport at Montgomery, Alabama, and the George Washington Carver Homes at Selma, Alabama, where she left the vehicle.

She advised she could recall no other incidents out of the ordinary which might have occurred along the road. Specifically, she could not recall any vehicle passing them slowly or anyone casting remarks at them in a manner to arouse her suspicion.

FEDERAL BUREAU OF INVESTIGATION

Date March 26, 1965

CLARENCE SMITH, JR., 1430 Eugene Street, Selma, Alabama, furnished the following information:

He stated he had attended the civil rights rally in front of the Capitol in Montgomery, Alabama, and left that area at approximately 6:00 p.m. He walked to a car which was parked about two blocks from the Capitol Building. LEROY MOTON drove this vehicle from the area of the Capitol grounds to the city of St. Jude on Highway 80 outside of the city of Montgomery, Alabama. In the car besides MOTON and SMITH was a Mrs. BROWN and two young white girls named LIZ and CARLA. There was also one other white man and one colored man whose names are not known to SMITH.

After MOTON had driven to the city of St. Jude, the colored man got out of the vehicle at this place. Mrs. VIOLA LIUZZO then got into the auto as the driver and drove to the Municipal Airport outside Montgomery, Alabama. The white man got out of the car at the airport.

After they drove away from the airport they stopped at a service station near the Municipal Airport. SMITH stated he does not recall what brand of gasoline was sold at this service station but it was the closest service station to the airport entrance. Nothing out of the ordinary occurred while they were at the city of St. Jude, at the airport, or at the service station.

After they left the service station, they drove on to Selma, Alabama, without any further stops. Somewhere along the road he recalls an automobile came up behind them and turned on his bright lights. The lady driving the car in which he was riding slowed up considerably at this time. The car stayed behind them with his lights on. His car then slowed even more. About this time, the car behind them, which he believes was occupied by one white man, passed them and continued on down the highway towards Selma, Alabama. Mrs. LIUZZO then speeded up in her car and turned her bright lights on behind the car which had passed them.

SMITH advised that he cannot be sure as to the color of the vehicle which passed them at this time, but stated it seemed that the color was between an orange and a red, but more of an orange color. He thought from the taillights of this vehicle that it might be a 1964 or 1965 Pontiac Bonneville model. He described the taillights as being tall and slender. He stated he did not notice the model of this automobile; nor could he describe the license plate which appeared on it.

SMITH stated that he could recall no other incident out of the ordinary which had occurred during their travel from the airport to Selma, Alabama. When they arrived at Selma, Alabama, they went directly to the George Washington Carver Housing Project, where he and the white lady and two white girls got out of the car. LEROY MOTON remained in the car with Mrs. LIUZZO as they were going to return to Montgomery, Alabama, in order to bring more of the civil rights workers back to Selma.

The organization is directed by ROBERT SHELTON, Imperial Wizard, and is the dominant Klan group in the South with units in several southern states.

Second source advised that at a meeting at Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.
